

GRAND COUNTY MODEL RAILROAD CLUB & MOFFAT ROAD RAILROAD MUSEUM

P. O. Box 2221

Granby, Colorado 80446

NEWSLETTER NUMBER 35, March 9, 2010

Due to several scheduling conflicts the March meeting will be held on Wednesday March 24th. 7:00 PM at the Granby Town Hall. Dave Naples will have new information about the 1905 combine car which has been offered to us free. We do have to get it to Granby but plans are under way. A number of very interesting ideas for fund raising have been suggested, including model building competitions, a Saturday session to teach others about various aspects of railroad layouts, etc. We do need help on several fronts and hope that there will be sufficient volunteers to get these things moving.

Another new member has signed up and paid his 2010 dues. We welcome Dennis Mahoney from Winter Park. We hope that many more of you who read this will join with us in the coming months.

Our new website is up and running while additional features get added. Text and photos are not complete yet on all pages, but the site is active. Take a look at www.moffatroadrailroadmuseum.org. New members and club members who have not yet paid their 2010 dues may do so now on the Model Railroad Club pg of the website.

We are now functional with Pay-Pal to receive donations. Try the "Donate Now" button. A fund raising brochure is in the initial stages of design and development. Our finance committee is now meeting every Wednesday afternoon at 2 PM at the Granby Library. These are all open meetings and all club members and other interested people are invited to attend.

It is an exciting time. Come to the meeting on Wednesday March 24th and tell us your ideas as well as get a full update on progress.
